MECHANICAL FEATURES

- Construction..... Aluminum case.
- Protection Index..... IP30.
- Dimensions of rack..... H 44 x L 483 x D 200mm.
- Mounted into a rack cabinet..... 19"
- Operating temperature range..... -10 to +50°C.
- Weight..... 2 Kg.

ELECTRICAL FEATURES

- Power supply..... 100-240VAC.
- Output..... 8 exits 24VDC.
- Max. current..... 4.5 A x2.
- Electric insulation..... Class 1.

REFERENCE

- 907 492..... SIGMA Power 2x100W RACK
